

# CIRCULAR SAW BLADES FOR ALUMINIUM

## For cordless small table saws

**Machines:**  
Cordless small table saws.

**Materials:**  
Aluminium, other non-ferrous metals and plastics.  
Also suitable for chipboard and MDF.

**Technical information:**  
Specifically designed to maximise battery runtime and optimise ease of cut on cordless table saws.  
Thin kerf and HLTG tooth with 0° cutting angle.
